

Corporate Overview

US INFOTECH SOLUTION (InfoTech) is a small woman-owned disadvantaged business founded in 2011. InfoTech is specialized in Infrastructure engineering services and IT consulting solutions engagement. We also have domain expertise in Information Governance, Content Management, Data Archiving and eDiscovery services compliance. InfoTech is founded by eDiscovery experts and industry veterans. Our professionals have 20 years of Legal IT and E-discovery technology experience. We delivered world-class legal IT support services for the federal government, law firms, and eDiscovery services providers in Washington DC region.
